

Fundraising guide

With your support the Caspari Foundation can continue to help vulnerable children to learn.

“Ella joined a therapeutic art group as a new member of the school, having recently moved away from her place of birth with Mum after a history of abuse. She was said to be very isolated and withdrawn and appeared very unhappy in school, often found in tears. School staff were amazed at the change in Ella, who by the end of the programme was very talkative, bubbly and had formed a friendship with another member of the group.”

Raising money: tips for success

Set up an **online giving page**, we recommend [JustGiving](#). It's a simple and effective way of asking your contacts to sponsor you. You can even add the link to your email signature so all your contacts are aware you're raising money for the Caspari Foundation.

If you are a UK tax payer, you can sign up to **Gift Aid** and **increase the value of your gift by 25%**. This means that for every £10 you donate, we can claim an extra £2.50 back from HMRC. All you need to do is to complete a Gift Aid declaration form.

If you work for a private company they might match the value of your gift through their **matched giving scheme**. Make sure you ask them if they have one!
